Infinitely Cold

QUALITY

Constant quality controls during the production phases and 100% quality checks at the end of the production line.

EFFICIENCY & SUSTAINABILITY

High efficiency components, environmental-friendly gases (R290 and R600a) to reduce the global warming potential (GWP)

ROBUSTNESS

Low maintenance, long-lasting, high quality stainless steel engineering.

WIDE RANGE

A wider and more flexible range to satisfy every customer's needs. New models available.

HERITAGE

For over 80 years Kelvinator has been supplying professional, commercial and home appliances. Our proven expertise has earned us an unparalleled reputation for quality, and tremendous customer loyalty.
